THIRD CLASS

DOVER CLASSICAL RECORDS

The records in this listing are all 12-inch, 33 $\frac{1}{3}$ R.P.M. high-fidelity records. These are all top-quality recordings of fine classical music for only \$2.00 per record! Originally released by major record companies (unless otherwise indicated) to sell for \$5 and \$6, these records were issued under our imprint only after they had passed severe critical tests involving the significance of the music, the quality of the performances, and the quality of the sound. These are all brand new pressings made on pure vinyl from carefully chosen master tapes. You get remarkable savings with absolutely no strings attached; Dover's money-back guarantee allows you to return any record for any reason.
